TESTIMONIALS

I've been in the ministry for over forty years and regret not making this trip earlier! To see, feel and hear the sounds of the Holy Land took my understanding of God's word from two-dimensional to three, from black and white to color!

We definitely went on an adventure of a lifetime! Seeing and experiencing sites relative to our Christian faith made our faith come alive! To walk where Jesus walked, lived, ministered and died put flesh on the Savior of the world.

Truly exceptional in every aspect. Never reading the Bible again in the same way is an understatement. Having gone once, I cannot imagine not going again.
